

# WARDROBE SOURCING & MERCHANDISING

An extensive and wide scope service providing sourcing and buying services to professional and exclusive clients, lifestyle shoots, music video productions, film and TV productions, and experimental projects.

Trudie's business and professional background are entrenched in the world of vintage clothing, but her skills and connections exceed her specialty in this niche.

With significant creative, designer, and retail bonds in apparel, textiles, and accessories, all Trudie requires is a brief of the project's requirements to deliver diverse options that meet your needs.
